

BANKING 2020

ADVERTISING & SPONSORSHIP

The Publication

The magazines next issue will be the 31st edition. The title and byline “Solutions through the Millennium ” reflects the exciting and changing nature of the financial industry.

The contents review and preview events and developments within and around the financial markets together with authoritative and perceptual features on banking and financial practices, regulation/compliance, business processes, technology and communications.

The publication is written and compiled specifically to examine the strategic issues, technological options and solutions facing the financial world today. In-depth editorial includes contributions from leading practitioners, key suppliers, regulatory organizations, educationalists and other official bodies.

Readership includes. C.E.O'S, C.F.O's, C.O.O's, Fund Managers, Vice Presidents, Bank Analysts, Regulators, Treasurers, Trading Room Directors, Members of the Legal and Accountancy professions, Corporates, Utilities and Heads of I.T.. at the world's leading Banks, Brokerage Houses, Securities Houses, Investment Management companies and the S&P 500 with a total distribution of 19,000.

In addition, there are an extra 10,000 copies of the magazine printed and distributed to all delegates at the Securities Industry Association, Technology Management Exhibition, SWIFT's SIBOS annual conference and other major banking and financial conferences globally.
